

2024 Annual Report: Hanson Community Power

Public Access Attachment III.C

Public Access to Plan/Ongoing Program Information	
Location	Description
Municipal website	Municipal website community electricity page provides information on the program structure and operation and access to the program website. The community electricity page can be accessed in the “Boards & Committees - Energy Committee” dropdown on the homepage. Hanson-ma.gov/energy-committee/pages/hanson-community-power
Program website	Program website provides information on the program structure and operation, product rates, access to the aggregation plan, and instructions to enroll, select a different product, and leave the program. The website also provides contact information for the program supplier and consultant. https://hansoncommunitypower.com/
Announcement to local/regional media	Municipality issued a press release with a link to the program access for renewed program pricing as a method to notify residents and businesses of the upcoming program launch and their options to participate.
Social media accounts	Municipality issued social media posts with program pricing as a method to notify residents and businesses of the upcoming program launch and their options to participate.
Physical Mailing	Municipality mailed letters with renewed program pricing as a method to notify residents and businesses of the upcoming program launch and their options to participate.
Public Meeting	Municipality held a public meeting on 4/22/2024 to notify residents and businesses of the upcoming program launch, program pricing and participation details, and answer questions from the community.
